A map of the Snoqualmie Valley region showing major roads (I-90, SR 202, SR 203, SR 18) and geographical features like the Snoqualmie River and Snoqualmie Pass. Key locations are highlighted with colored boxes: DUVALL (blue), CARNATION (green), FALL CITY (green), SNOQUALMIE (dark blue), and NORTH BEND (brown). A dashed line indicates the Snoqualmie Valley Trail. A compass rose is located to the left of the map. Four inset images are placed around the map: a Totem Pole in the top left, a festival scene with people and tents in the top right, a young girl with a plate of food in the middle left, and a basket of fresh vegetables in the middle right. An image of wine being poured into a glass is also visible in the middle right area.
